Terms and Conditions

- A) This agreement constitutes the entire agreement between the parties. It may be changed by only written instrument signed by both parties.
- B) Customer acknowledges that no warranty explicit or implied will be provided or in effect until SCR is paid in full.
- C) If any disputes arise under this contract home owner allows SCR an opportunity to cure such defects. In the event WCR is not allowed to cure such defects home owner agrees that SCR is not liable for cost of damages or repairs from such defects. WCR shall not be liable for any consequential damages.
- D) SCR is not responsible for any damage below the roof, or liability is limited to the roof repair only.
- E) SCR is not responsible for internal structural strength and the home owner is responsible to report before reconstruction any concerns regarding beams, rafters etc. Home owner must have areas repaired before construction. Any structural repairs will be extra and written into contract.
- F) Any items not written into the contract that are replaced will be extra.
- G) Customer is responsible to notify SCR if you have any exposed decking on the inside of the home such as cathedral ceilings so proper nail lengths are provided.
- H) Contractor shall not be responsible for loss, damage or delay caused by circumstances beyond its reasonable control including but not limited to acts of God, weather, accidents fire vandalism, regulations strikes, failure or delay of transportation, shortage of or inability to obtain materials, act of customer or agents of customer. SCR is not responsible for incidents normally covered by home owners insurance such as windstorm, hail, fire or other hazards that can cause damages.
- I) Home Owner acknowledges SCR is not responsible for any damages caused to them or their property as a result of mildew and or mold resulting from water penetrations that may develop as a result of the worked performed by SCR. Home owner agrees to indemnify and hold harmless SCR and its agents and or contractors as a result of any act by SCR its agents and contractors including but limited to those of negligence, that cause of contribute to mildew and or mold and its abatement, removal or cost of repair and or replacement,
- J) Should default be made in payment of this contract, charges shall be added from the date thereof at a rate of one and one- half percent (1-1/2%) per month, 18% per annum or the maximum allowed by law with a minimum charge of \$2.00 per month, and if placed for collection customer agrees to pay all costs of such action as attorney filings fees by accepting said contract.
- K) If any provisions of this agreement should be held to be invalid or unenforceable, the validity, and the enforceability of the remaining provisions of this agreement shall not be affected thereby.
- L) These conditions shall be considered a part of any contract entered into or authorized to proceed, the same as if they were included therein.
- M) Customer represents all structures to be in sound condition of withstanding normal construction and operations.
- N) Customer shall be entitled to order changes and the contract price shall be adjusted accordingly upon removal of material which require additional work, such as rotten or deteriorated wood, termite damage or keep deficiencies in existing material that are sometimes encountered. If the scope of work outlined on the face of this proposal does not contemplate such conditions, contractor will promptly report the condition to the customer and take such steps as are reasonably necessary and prudent to protect the building. Unless otherwise noted in this agreement, the price quoted does not include removing fascia, trim, sheathing, rafters, structural members, siding, masonry, vents, dry-in felt, caulking, metal edging or flashing of any type. If during the course of work, it should become apparent that any such portions of the structure should be repaired or replaced, customer may authorize contractor to do such additional work for an extra charge.
- O) Customer is solely responsible for providing contractor prior to the commencing of construction with such water, electricity or other utilities as may be required by the contractor to affect the work covered by this contract. Customer hereby grants to contractor the right to display signs and advertising at the project site.
- P) This proposal and contract is based upon the work to be performed by the contractor not involving asbestos-containing or toxic materials and that such materials will not be encountered or disturbed during the course of performing the work. In the event that such material are encountered, contractor shall be entitled to reasonable compensation for all additional expenses as a result of the presence of asbestos-containing or toxic materials.
- Q) Disclaimer-customer agrees to hold SCR harmless for any of the following: damages of any kind caused by third party service providers, such as dumpster companies, or material suppliers. Any damages caused by vibrations, ie: falling pictures, light fixtures, small cracks or nail pops in drywall. SCR is not responsible for cracked driveways, sidewalks. This contract constitutes full, accord and agreement of the parties and not other understandings, verbal or otherwise, shall be binding unless in writing, signed by both parties. This contract is subject to approval by officer of the company.
